1 BREAKFAST IN WEST END

Start the day with a hearty and healthy breakfast in West End. The delicious fare matches the eclectic nature of the suburb – think fresh produce, organically-grown, quirky and original dishes that are seriously delectable. Walk off breakfast afterwards via a stroll to nearby [South Bank](#).

2 GET ACTIVE

Adventure awaits in the city. Grab a paddle and take to the river in a kayak at [Riverlife](#), right under the Kangaroo Point Cliffs. Or join them for rock climbing and abseiling on the cliffs. Feeling zippy? Hire a unique Urb-E foldable electric scooter and zip across the Riverwalk to Howard Smith Wharves.

3 CLIMB THE STORY BRIDGE

Take your visit to Brisbane to new heights. Climb to the top of the [Story Bridge](#) and savour views over the river, city and out to Moreton Bay. Romantics will love a sunset climb. Or add some adrenaline to your climbing adventure by abseiling down one of the bridge's pylons.

Experience BRISBANE.

4 GET NOT SO ACTIVE

Once at [Howard Smith Wharves](#), it's time to slow down. Relax on the grass with views of the river, Story Bridge and city skyline. Or sample a brew from the precinct's brewery, right on the boardwalk above the river. A divine overwater bar and fine-dining options are other tempting offerings here.

5 EAT LIKE A KING

[King Street](#) is a wonderfully funky thoroughfare with a diverse range of eating and drinking options. Choose from Vietnamese, Texan-Mexican, Italian, French and Japanese or chow down on Chinese dumplings, Korean-style fried chicken, bountiful burgers, plentiful pizzas and more. Food trucks and a Bavarian beer hall add to the mix.

DARREN LOCKYER LOCAL TIP

“Victoria Park Golf Complex is my favourite destination in Brisbane to take the family or have a drink with mates. Whether it is putt putt or the driving range, there is an activity for all that offers the laid back atmosphere, Queenslanders love.”
